Deliverables (Font: **TiemposHeadline-Semibold**)

A picture is worth a thousand words (Font:**Graphik-Medium**)

Unlike any other design review or audit, we will not only tell you what can be improved but also make revamps to the most critical parts of the design. (Font: **Theinhardt-Lt**)

Design Report (Font: **Graphik-Medium**)

We will evaluate your design based on a variety of parameters and provide a detailed visual report with useful tips and design hacks. This would be the starting point for further work on the design. (Font: **Theinhardt-Lt**)

Ways to Redesign (Font: **Graphik-Medium**)

We provide several strategies for further redesign by various contractors, from freelancers to high-end agencies. We provide you with an assessment of the timing and cost for both a full redesign and quick but effective improvements. (Font: **Theinhardt-Lt**)
